📍 **Location: Jaipur** | 🎓 **Experience: 2-5 Years** | 🏷 **Full-Time**

At Thrillophilia, we don't just market travel — we inspire journeys.

As India's largest experiences platform, we are building the next chapter of travel discovery, storytelling, and community engagement for millions of explorers worldwide. With **2.3 million+ followers already engaging with us across social media**, we're now looking for a leader who can take this momentum and scale it to something iconic.

If you live on social media, speak in trends, think in content formats, and get a rush watching communities grow, you'll love this role.

🌟 What You'll Lead

- Own end to end performance marketing for B2C
- Drive growth across acquisition, retention, and revenue
- Manage and optimize ₹50 Cr+ marketing budget
- Scale Google Ads and Meta Ads campaigns
- Test and expand new channels, audiences, and creatives
- Track and improve ROI, CAC, ROAS, and CPA
- Lead and mentor the performance marketing team
- Use GA4, attribution, and A/B testing for optimization
- Collaborate with sales, product, and creative teams

What Makes You a Great Fit

- 2–5 years of experience in performance marketing / growth marketing
- Proven experience managing large ad budgets (₹20 Cr+; ₹50 Cr preferred)
- Strong hands-on expertise in Google Ads and Meta Ads
- Experience working across B2C business models
- Prior experience in team management and leadership
- Deep understanding of: Marketing funnels, Attribution & analytics, CRO and landing page optimization
- Strong analytical, communication, and decision-making skill

Why Join Us?

At Thrillophilia, you're not just joining a company you're stepping into a **fast-paced, high-ownership playground** where bold ideas shape the future of travel. We already serve millions of users worldwide, but our next leap needs sharper minds, faster thinkers, and creators who can turn ambition into reality.

Here, there are **no startup clichés**, no unnecessary fluff, and definitely no "coast through your day" energy. What you'll find instead is a **culture built on speed, experimentation, and extreme ownership**. We move quickly, break barriers, and build things that actually make an impact.

We celebrate **people who think big and execute bigger**. Whether it's shipping a powerful experiment, cracking a new market, or unlocking a new growth lever—your wins are seen, celebrated, and amplified.

This isn't a 9 to 5. It's the kind of environment where ideas spark over a cup of chai where teammates push each other to level up, and where every day feels like you're building something that matters.

If you crave intensity, creativity, and a team that's obsessed with winning, welcome to Thrillophilia.
